Speaker: Derek Maxfield, Professor of History, Genesee Community College, NY

This presidential election year is interesting to say the least, but it is not easy to follow. Have you wondered, for example, what a SuperPac is? Or why are there so many debates? In this talk, Professor Maxfield will help prepare students for the upcoming election by addressing all of these questions and much more.

All Students, Faculty, and Staff are invited to attend. For more information, please contact PTK President Jennie Nazario at jennie.nazario@gmail.com or PTK Advisor Marie Basche at abasche@ccc.commnet.edu or (860)906-5095
