CAPITAL COMMUNITY COLLEGE

State of Connecticut General Statutes regulations requires all full and part-time degree or certificate seeking students born after December 31, 1956, to provide proof of adequate immunization against measles (rubeola), German measles (rubella), chicken pox (varicella), and mumps.

The following are required for ALL students:

Proof of immunity to **Measles (Rubeola)**: you must provide proof of one of the following:
- Two measles or two MMR immunizations (one after your 1\textsuperscript{st} birthday and one at least one month later)
  - 1\textsuperscript{st} dose of measles must be given on or after 12 months of age and after January 1, 1969
  - 2\textsuperscript{nd} dose must be after January 1, 1980 OR
- Documentation (actual lab result) of positive titer (blood test)

Proof of immunity to **Rubella**: you must provide proof of one of the following:
- Rubella vaccination after 1\textsuperscript{st} birthday OR
- Documentation (actual lab result) of positive titer (blood test)

Proof of immunity to **Varicella** (chicken pox) will be required for all incoming students beginning **August 1, 2010**:
- Two varicella immunizations, OR
- Documentation (actual lab results) of positive varicella titer (blood test)

Proof of immunity to **Mumps**, will be required for all incoming students beginning **August 1, 2010**:
- Two mumps immunizations, OR
- Two MMR vaccinations OR
- Documentation (actual lab results) of positive titer (blood work)

**IMMUNIZATION EXEMPTIONS**

- Students born prior to January 1, 1957 are exempt by age from the measles, mumps, rubella & varicella requirement.

- The College will only permit vaccination waivers for religious or medical reasons. Exemptions for either medical or religious reasons subjects the individual to exclusion from campus in the event of an outbreak of a disease for which immunizations are required.

- Online learners do not need to meet the immunization requirements
