V. Schedule Faculty and Staff Focus Groups

VI. Mission Statement Review

VII. Goal Setting

VIII. Next Strategic Planning Meeting

As the years progress, what women and men will discover is that the most lasting and rewarding educational experience come not from specific information provided in a classroom lecture or assigned textbooks, but from the values obtained in active engagement in meaningful issues. We achieve for ourselves only as we appreciate the problems and concerns of others – and only as we see our lives as part of a much greater social purpose.
Manning Marable, 1997
