Accelerate your pace to college level courses!

*Sign up for English and math workshops for a chance to
retake the placement test.*

This program is for prospective and first year students who are not satisfied with their initial Accuplacer test results. Students select from a schedule of morning or evening tutoring sessions and earn the opportunity to retest through:

- ✚ Regular attendance*
- ✚ Completion of homework & computerized instruction.
- ✚ Active participation

*Typical sessions are six hours per week for four weeks.
