

Welcome to College Academic Transitions.

Printed Name _____

Banner ID # _____

Your Accuplacer test scores indicate you are eligible to participate in a free workshop to build your skills in Math or English. Please sign up for the upcoming session so you will have an early and strong head start on your academic path at Capital Community College.

The nine-day program includes tutor-led discussions in small groups of new students and access to instructional software to support your learning. We invite you to join us for three hours each day in the Academic Success Center.

Mornings
9:30 am – 12:30pm
(Dates highlighted on calendar)

English or ESL: Describe your most recent experience with a reading/ writing class.

Student Educational Goals:

Possible Major: _____

Briefly describe why you are signing up for this free program.

Student Agreement:

- I understand that the College Academic Transitions workshop is not organized as a credit course with an instructor. Although no college credit will be earned for this free program, participation will show on my non-credit transcript.
- I realize that to succeed in meeting my stated goals; I need to engage in the process, cooperate with tutors and collaborate with peers.
- For each subject (math or English), I agree to participate actively in at least 24 hours of group tutoring sessions and to complete assigned work on instructional software.
- I understand that I need to complete the requirements in order to retake the Accuplacer test in Math or English.
