If you think that you may have lost something on campus, check with this office. Please continue to check with this office as your items may be turned in at a later date. All items turned in are logged and secured in locked evidence lockers/cabinets until returned or disposed of after a six month holding period. Cash is returned to the person who turned it in following a 90-day waiting period.

An emergency guide explaining protocol and contact numbers is posted in all classrooms and conference rooms, Library, auditorium, and the café.

In accordance with state law, Capital Community College has a smoke-free status. Smoking is not permitted anywhere in the college building.

Periodically the Department of Police/Public Safety publishes tips to encourage safety awareness. These tips are placed on bulletin boards throughout the college, and on television monitors. Public Safety issues **timely warnings** when an issue poses a potential risk of loss or harm, to allow the community to take steps to protect themselves and aid in prevention of similar crimes. This timely warning is issued as soon as pertinent information becomes available, in a manner that reaches the entire campus community. Security participates in the college student orientations, held before fall and spring semesters, providing information about the college's security systems, policies, and emergency procedures. Formal and informal security sessions have been implemented for college employees and students.

The college Department of Public Safety offers escorts to students, staff and guests to and from their vehicle parked in the Morgan Street garage. To request an escort, contact the Public Safety office at (860) 906-5075.

The college is open from 7:00 A.M. to 10:00 p.m. Monday through Friday, and Saturday from 9:00 a.m. to 1:00 p.m. when classes are in session. College security is present at all times when the building is open for business.

No administrator of an institution of higher education shall interfere with the right of a student or employee of such institution to file a complaint with the state police, local police department, or special police force established under section 10a-142 of the Connecticut general statutes concerning crimes committed within the geographical limits of property owned or under the control of such institution.

The State of Connecticut has a sexual offender registry which contains the names of all the persons convicted of sex offenses. The registry can be viewed by anyone wishing to at <http://www.state.ct.us/dor/sor.htm>. Capital Community College Public Safety routinely reviews the registry, and the college is notified if any sex offender registers for classes.

Sex Offenders required to register under the terms of "Megan's Law" are also required to provide notice, as mandated under state law, of each institution of higher education in that state in which the offender is employed or a student. (Refer to page 115 of the Student Handbook for further information)

Fifty emergency intercoms are located in the college positioned under blue lights. Each intercom connects directly to Public Safety, and interfaces with the college closed circuit camera system. A Public Safety Officer will answer and respond at once to any emergency.

It is the policy of the college to call the Hartford Police Department for any incident that requires police intervention. The Hartford Police Department H.Q. is located at 253 High Street. There are several smaller precincts located throughout the city. College Public Safety/Police has an excellent working relationship with the Hartford Police Department.

Capital Community College maintains a “Daily Crime Log”. This log contains entries of all incidents reported to Public Safety. The log is updated daily and is open for inspection by any member of the public and upon request during normal business hours.

The college maintains an extensive array of fire prevention and alarm devices, including sprinklers, extinguishers, alarms, and warning systems. A loud horn, lights flash, and a verbal fire warning sound on each floor when an alarm is active. The college performs a minimum of one “Fire Drill” each semester. A separate emergency plan is in place for the Children’s Lab School located in the building.

Public Safety maintains compliance with all FERPA regulations. No student or employee’s personal or identifying information is released to outside agency, entity, or unauthorized person or Department within the college. The college Department of Police/Public Safety has specific policies concerning sexual assault and domestic violence. These policies are contained in the department policy manual under “Patrol Procedures” section 2-7. In addition to policy published on the college website, and handbook. These policies specifically state that all complaints of sexual violence and domestic violence will be investigated in a respectful, confidential manner. The policy states that in addition to the CCC Public Safety investigation, the Hartford Police and/or Connecticut State Police may be notified. Policy presents the victim with options for various referrals to additional sexual assault counseling, domestic violence counseling, mental health services, shelters and victims’ rights. Transportation to area hospitals is provided if required. Public Safety will assist the victim in contacting these services. The college advises the victim of criminal protective orders, out of state family violence protective orders, and will assist to obtain an order if appropriate. The College offers assistance to victims of sexual and/or domestic violence support from initial investigation through the entire process. Capital Community College will investigate and make arrests where probable cause exists that a crime or violation of a court order has taken place. All Public Safety officers receive domestic/sexual assault investigation and follow- up training annually. Master Sergeant Griffin is the campus contact person in matters of sexual assault/domestic violence. **A CRIME-STOPPER TIP LINE** has been established to facilitate anonymous reporting of crimes and suspicious circumstance, in addition to a **COMPLAINT & COMMENDATION** field on the Department’s college web-site.

Public Safety conducts a series of sexual assault prevention, situational awareness, self-defense classes each semester to assist staff and students avoid becoming a target of violence. Education on applicable Connecticut general statutes and current case law is included.

Public Safety uses various measures to protect and follow up on all complaints of sexual violence. This includes college sanctions, monitoring, and criminal justice system referrals.

Capital Community College promptly investigates all reports of suspicious circumstances or missing persons. This policy is contained in the department policy manual patrol

procedures under section 2-19. An investigating officer will be dispatched immediately. He shall enter the missing person as a **FILE 6 MISSING PERSON IN NCIC**. It is department policy to contact the Hartford Police and/or the Connecticut State Police in all cases that require further investigation.

Capital Community College has no dorms or on campus housing.

Capital Community College maintains an extensive array of policies, procedures, and notification processes in the event of an emergency. These procedures are intended to be far reaching to the college and surrounding community, contacting as many people as possible in a short time. Included are procedures for immediate notification of Police--- Fire--- Emergency Services. All college emergency procedures are compiled and published on the college Website in a comprehensive manual entitled “Emergency Operations Manual”. This manual includes internal and external notification policy. Included is specific information on evacuation procedures, bomb threat procedures, and college lock down policy. College Public Safety Officers perform annual training in each of these procedures. Training may include formal training at the Connecticut Police Academy, internal training conducted by qualified department members, and various drills, including unannounced fire drills and shelter-in-place drills. Hartford Police/Fire Departments, and Connecticut State Police participate and assist in conducting Fire and Shelter-In-Place Drills. All officers are required to maintain annual certification in First Aid and CPR. All officers receive training in delivery of emergency text alert notifications several times per calendar year.

College policy is **emergency notifications** to the college and surrounding community will be made without delay. Policy dictates information concerning any situation presenting an immediate threat of physical harm or property damage will be passed on to the community at once. The method of notification will vary according to the specific situation. Notification processes may include any or all of the following: in-person notification, loudspeaker, television, radio, horn/sirens, telephone, public address system, e-mail, or college Emergency Alert System that sends an individual text message to any person that registers a cell phone onto the system. Students are automatically entered into the text alert system upon registration and the system is updated daily. Parents and family members are encouraged to contact Public Safety and register their mobile phone into the system. There is no cost for this service.

Capital Community College Department of Public Safety/Security has close ties and or letters of understanding with various state and local agencies. This includes the Hartford Fire and Police Departments, Connecticut State Police, and 960 Management (a private mall that houses several business and state agencies).

Master Sgt. Griffin is an active member of CTACLEA – Connecticut Association of College Law Enforcement Administrators and The Hartford SCAN Group – comprised of over 70 Hartford business and public safety organizations dedicated to reducing crime in the downtown Hartford area through training and exchange of intelligence.

Dean of Administration Lester Primus and Master Sergeant James Griffin are the administrators for college notification systems. All Campus Police and Public Safety Officers receive periodic training on the college Alert System in the event that an alert must be issued when the Public Safety Director and Administrative Dean are not available. The system is tested monthly to insure proper operation.

Capital Community College Department of Public Safety Officers filed 79 incident reports for calendar year 2018. Community College vigorously and impartially investigates all crimes reported to the college. The Department received no reports of part one crimes that were unfounded.

The 79 reported incidents in 2018 compares with 78 in 2017 represent a 35% drop from the number of incidents in 2016. This drop is due in large part to strictly enforced identification card procedures for staff and students, requiring all persons to produce a state issued college identification card or picture identification to enter the college. These requirements are in compliance with accepted state standards in state buildings in Connecticut.

Victims of crimes receive written notification of the status of sensitive investigations and any complaint made against a college employee. Victims and persons accused of crimes and/or violations of college policy have a right present evidence and to a fair and impartial hearing. They have the right to have an advocate of their choosing present during any hearing. Investigations will be conducted in a timely manner.

The Department of Public Safety will assist in proper referrals for victims of Domestic Violence or Sexual Assault. This includes assisting in contacting a Victim Advocate, Women's Shelters, and Restraining/Protective Orders.

Public Safety Officers constantly monitor electronic surveillance of activity with 89 Cameras and recording of all activity is maintained for a period of 90 days.

A copy of this report is made available to all new employees and prospective students. Public Safety addresses new student orientation and the Clery Report is a main topic of discussion. New employees are advised of the report in student orientation, faculty orientation, all college meetings held at least twice per calendar year, College Bulletin, Human resources, or Public Safety. This report is sent out electronically to all students. The report is advertised by Capital Community College in the form of posters, flyers, e-mails, and electronic message boards on each floor of the college.

ALCOHOL and DRUG POLICY

Capital Community College’s standards of conduct are in compliance with Public Law 101-226, The Drug Free Schools and Communities Act. The standards of conduct prohibit unlawful possession, use, and distribution of illicit drugs or alcohol by students, employees, or visitors on the college campus or at college activities. Any person knowingly and unlawfully possessing, using, transmitting, selling, or being under the influence of any dependency producing drug or alcohol on campus or at any college sponsored activity or event may be subject to disciplinary action.

SEXUAL ASSAULT POLICY

Capital Community College encourages victims of sexual assault to report the crime to the Police Supervisor on duty. Security will assist in filing a college incident report and contacting the Hartford Police Department or other appropriate agency. The college will provide counseling through the Counseling Center and/or Health Services and can provide information regarding other sources for help.

SEXUAL HARRASSMENT POLICY

Sexual harassment can take many forms, such as physical (touching, kissing, pinching), verbal (jokes or sexual innuendoes), visual (display of offensive pictures whether printed or computer displayed), or threatening harassment (implied or explicit abuse which threatens a person who does not comply with such requests).

Capital Community College does not condone or tolerate any behavior by a college student, employee or visitor that constitutes sexual harassment. Should you find yourself in a situation you suspect may be a type of sexual harassment, you are urged to speak to the Academic Dean or the Director of Human Resources. The college strongly encourages the reporting of sexual misconduct, including sexual harassment, sexual assault, and intimate partner violence, as an effective means of taking action by reporting such acts to the appropriate officials and pursuing criminal or disciplinary remedy or both.

Associate Dean of Student Affairs----Jason Scappaticci-----Room 212A-----ext.5086
Director of Human Resources-----Josephine Agnello-Veley-----Room 214-----ext.5002
Title IX Co-coordinator -----Josephine Agnello-Veley-----Room 214-----ext.5002
Director of Public Safety-----James Griffin-----Room 102-----ext.5076

Sexual Harassment as well as any reprisal or retaliation by an offender is illegal and punishable by law

Use of the internet for viewing pornographic material or carrying on “chat” sessions is considered sexual harassment and is forbidden.

Mandated reporting requirements of the Child Protection Law requires a report be made to the Connecticut Department of Social Services when the college receives a report that a person under the age of eighteen years of age may have been sexually assaulted. College employees who are designated as Campus Security Authorities under the Jeanne Clery Act have a duty to report information of a possible sexual assault regardless of the age of the reported victim. The College also employs individuals who are members of professions that are mandated reporters under Connecticut law, such as early childhood professionals, nurses and police. In order to comply with the ethical requirements of their professions and the law, any such professional who receives a report of sexual violence may not be able to maintain the confidentiality of the reported violence.

All reports of sexual violence will be thoroughly investigated by campus Police, Dean of Students, Title IX coordinator, and college Sexual Assault Response Team. Persons are urged to report incidents as soon as possible. Capital Community College puts no time limit on acceptance and investigation of incidents. However, timely reporting tends to have a very strong, positive impact on the fairness and success of the investigation. Recollections may fade, witness become inaccessible, and physical evidence becomes unavailable with the passage of time.

Capital Community College has a variety of resources available on campus and in the community to assist in dealing with sexual violence. These resources are available whether or not the incident occurred on campus or off campus. These resources include, but are not limited to: Administrative remedy, Law Enforcement, Counseling, various Domestic/Sexual Violence prevention and assistance partners. Capital Community College also provides several on-going educational and awareness programs to the college to include Situational Awareness and Self-Defense for women and “See Something. Say Something”, active bystander training. Members of the college Sexual Assault Response Team (SART) receive additional annual training and updates.
