Student Success Work Group Charge:

The Student Success Work Group is a professional learning community working to ensure that Capital Community College is a destination for success for all students. It will advise and inform the college's work on student success by braiding together and supporting new and ongoing initiatives using research, coaching support, technical assistance, professional development and other resources available through the Achieving the Dream (ATD) network.

Timeline of Activities and Objectives (2019-2020)

Spring and Summer 2019

- Dream Conference (February 2019)
- April and May meetings (2019)
