Verification of Financial Need

In order to determine eligibility for the CALAHE Scholarship, all applicants must demonstrate proof of financial need as determined by completing a FAFSA, or any alternative financial aid application provided to students who are not eligible to complete a FAFSA but would provide a means to determine financial need and establish eligibility for non-federal financial aid.

Undocumented students please use this link www.ct.edu/admission/finaid#undocumented to apply for financial aid. This application is exclusively for a specific group of undocumented students who cannot apply for federal student aid.
