

# The Paramedic Education Program

## AT CAPITAL

The Paramedic Education Program at Capital has partnered with St. Francis Hospital & Medical Center from its inception, providing students with unique educational resources, clinical expertise, and professional development opportunities.

**The Paramedic Education Program at Capital Community College (CCC) is the *oldest continuously operating paramedic program in Connecticut.* The program was *the first in the state* to achieve national accreditation through the Committee on Accreditation of Educational Programs for the Emergency Medical Service Professionals in 1993.**

Capital's program has graduated more than 950 paramedics since 1986. Graduates have been placed in jobs throughout New England, the U.S. and internationally.

We have strong relationships with many area hospitals and pre-hospital services throughout the state that provide the students with unique opportunities to apply the theories and skills learned in the classroom. Our central location puts students near the hospital partners. All faculty are actively practicing healthcare providers.

The Paramedic Education Program at Capital is *flexible*:

- ▶ Day and evening sections and clinicals
- ▶ Certificate or Degree options (*see next page*)

Students in the Paramedic Program at Capital have great advantages:

- ▶ Access to the exceptional resources and clinical expertise of program partner St. Francis Hospital & Medical Center
- ▶ High fidelity mannequins and simulations, and many specific skills trainers
- ▶ Fully operating ambulance patient care area
- ▶ Financial aid programs
- ▶ Veterans' benefits
- ▶ Academic, career, and personal counseling as well as career development and job placement assistance
- ▶ Tutoring centers for all subjects
- ▶ Transfer agreements with four-year institutions

## Associates in Science, Paramedic Studies

### FIRST SEMESTER (16 Credits)

CREDITS

PMD* 116 Anatomy & Physiology for Emergency Care I	2
PMD* 111 PMD-Paramedic I	8
MAT* 137 Intermediate Algebra	3
ENG* 101 Composition	3

### SECOND SEMESTER (16 Credits)

CREDITS

PMD* 112 PMD-Paramedic II	8
PMD* 117 Anatomy & Physiology for Emergency Care II	2
ENG* 102 Composition and Literature	3
____ Humanities Elective	3

### SUMMER SEMESTER (10 Credits)

CREDITS

PMD* 115 PMD-Paramedic III	7
PSY* 111 General Psychology I	3

### THIRD SEMESTER (14 Credits)

CREDITS

BMG* 202 Principles of Management	3
BIO* 235 Microbiology	

### OR

CHE 111 Concepts of Chemistry	4
PMD* 211 PMD-Paramedic IV	7

### FOURTH SEMESTER (12 Credits)

CREDITS

BMG* 220 Human Resources Management	3
BBG* 210 Business Communication	3
SOC* 101 Principles of Sociology	3
____ Humanities Elective	3

Credible  
education  
through  
accreditation

## Associates in Science, Paramedic Studies, Emergency Medical Services Instructor Option
