March 10

THIS BITTER EARTH

By Harrison David Rivers
Directed by David Mendizábal

A deep love is challenged by divisive political realities. Jesse, an introspective black playwright, finds his choices called into question when his boyfriend, Neil, a white Black Lives Matter activist, calls him out for his political apathy. As passions and priorities collide, this couple is forced to reckon with issues of race, class and the bravery it takes to love out loud.

- 6 pm Private Reception - Food, drinks, and conversation
- 7:30 pm Performance of This Bitter Earth

At TheaterWorks Hartford, 233 Pearl Street
