

About Us

Capital Community College's ESL Program is designed to enable non-native English speaking students to develop and synthesize the core English language proficiency skills necessary for success towards attaining a college degree or certificate.

As a reflection of Capital Community College's mission: The ESL Program is committed to providing access to higher education through meeting the English language learning needs of the diverse residents of Greater Hartford.

PROGRAM SERVICES

- ESL Academic Advising
 - In collaboration with the Counseling Office, the ESL Administrator and full time ESL faculty will advise and guide ESL students through the ESL curriculum towards their chosen field of study/major.
- ESL Tutoring Services
 - The Academic Success Center provides individual, online, and small group tutoring.
- ESL Faculty
 - This dynamic team of faculty members hold graduate degrees in TESOL and related fields. They employ a range of student-centered instructional methods and techniques.
